SUMMARY

Senior operations and project leader with 10+ years leading complex creative, marketing, and production work from intake through delivery. Manages teams, resources, workflows, vendors, and stakeholders while improving the systems behind the work. Experience includes nationwide campaign production, multimillion-dollar initiatives, enterprise brand integrations, large-scale asset governance, and high-volume media operations. Known for identifying operational gaps, building more effective workflows, and creating the structure teams need to deliver high-quality work consistently.

EXPERIENCE

THE WRITING & VISUALS CO.

Atlanta, Georgia

Senior Creative Project Manager | Creative Operations

March 2022 - Present

Contract work covering creative project management, production operations, marketing operations, and campaign execution for enterprise and nonprofit organizations. Owned intake, scoping, scheduling, resource planning, stakeholder communication, review cycles, and delivery across concurrent engagements, coordinating freelancers, vendors, and agency partners.

American Cancer Society

- Led a freelance **team of 7**, balancing capacity, priorities, deadlines, and quality across concurrent workstreams.
- Built and maintained licensing, media-release, and permissions infrastructure across a **10,000+ asset** library, auditing previously published content, resolving missing authorization, and reducing compliance and legal exposure.
- Designed an **AI-assisted contract workflow in Monday.com** to extract key terms, route contracts, identify incomplete records, and draft summaries, clearing a backlog of unassigned and incorrectly entered contracts while keeping contractor payments on schedule.

DS Smith / International Paper

- Led creative execution for the brand integration across **200+ assets and 5+ channels**, establishing approval and asset-tracking workflows to maintain consistency across the rollout.

Chick-fil-A

- Introduced **Asana** to the tool stack for the first time and established the intake, workflow, and tracking structure in it, reducing project delivery time by **67%**.
- Directed specifications, proofs, vendors, quality control, approvals, and distribution for nationwide campaign and print execution at **multimillion-dollar scale** while maintaining brand and creative standards.

Rasa Technologies

- Directed a global executive video campaign on a **3-week schedule**, coordinating distributed production and generating **30K+ views at 3x the engagement target** across LinkedIn, YouTube, and X.

IMS Legal Strategies

- Led a **100+ video** training-library rebrand, managing production schedules, asset updates, review cycles, and final delivery.

The Task Force for Global Health

- Produced global video campaigns including **The Fight to End Hepatitis** for the Coalition for Global Hepatitis Elimination, expanding distribution across social media, conferences, and partner networks.

Savannah Oaks RV Resort

- Owned guest acquisition marketing across email, paid, social, and video, running campaigns from planning through delivery for a seasonal, occupancy-driven business.

USA TODAY / HUMANKIND

Atlanta, Georgia

Video Producer III

April 2019 - February 2022

- Managed content from story selection through publication within an **8-person, high-volume digital production team**, typically carrying **2-3 active projects** on **3-4 day production cycles**.
- Produced and edited **100+ videos annually**, including the most-viewed Humankind video during tenure at approximately **35 million views**.
- Redesigned the department's file-management and organizational system, saving an estimated **100+ staff hours annually**.

SHARECARE

Atlanta, Georgia

Producer & Video Editor

August 2014 - March 2019

- Established original video programming and production practices as Sharecare expanded beyond repurposed content into a stronger in-house media operation.
- Directed and produced **Sharing Care**, a web series recognized with a **Bronze Telly Award**, while managing projects from concept and pre-production through directing, editing, review, and delivery.
- Developed content strategies that contributed to a **15% increase in engagement** and produced advertising for major campaigns, including work displayed on the **NASDAQ board in Times Square**.
- Coordinated production across a **6-person team** while delivering multiple concurrent projects through a lean, primarily in-house production model.
